List of supported car models

*In case of programming of mileage or motohours, the software may be used only for repair purposes. However, in certain countries, the change of a value of an odometer (counter) or interference in correctness of his indications is prohibited under the threat of the penalties.
In accordance with article 306a of the polish penal code, that is: "who changes the indication of the odometer of a motor vehicle or interferes in the correctness of its measurement is subject to imprisonment from 3 months to 5 years. The same penalty shall apply to anyone who commits another person to perform an act referred above."
